

Then Your O.R. Could Use A PuddleVac®.

The PuddleVac® Floor Suction Device

If your O.R. has fluid on the floor, then you need the PuddleVac floor suction device. Simply attaching it to wall suction and placing it on the floor, quickly eliminates fluid at an average rate of 700 ml/min. It's single-use so clean up is quick and easy. Couldn't your O.R. use a PuddleVac? For ordering information. Contact your local Linvatec Sales Representative or Linvatec Corporation, at 1-800-237-0169.
